Helpful Tips

If you do not see one of the courses you teach listed in Rebel Access Instructor, please contact SDS to ensure our records have you listed as an instructor for the course.

When viewing the List of Students Who Requested Accommodations, you will quickly be able to see special column tags that identify who has made a request for specific accommodations. For example:

- The TEST column will be marked “Yes” if the student has requested testing accommodations.

- The NTK column will be marked “Yes” if the student has requested a notetaking accommodations.

- The CMA column will be marked “Yes” if the student has requested Communication Access services such as having an American Sign Language Interpreter, live captioning, or use of an Assistive Listening Device or similar accommodations.
- The **ARM** column will be marked “Yes” if the student has requested Accessible Reading Materials (Alternative Formats).
