

Fix Your Content Day

Global Accessibility Awareness

2023

Do your Blackboard dashboards look like this? 

Do you create or share documents for your department?

Join us in celebrating Global Accessibility Awareness Day (GAAD)! As part of our campus-wide commitment to inclusive education, we are hosting multiple workshops, culminating in a fix-your-content day. Join us for hands-on learning about increasing accessibility in your digital documents. Visit our GAAD home base for more information and registration guidance.

Topics include:

PDFs, structure, aesthetics, alt text, and more!
